Dasher Game

Try to fold the fold line

The better the workmanship at the time of overwhelmingly complete and crease

By the way, the designer has with the fold lines using a cutter .

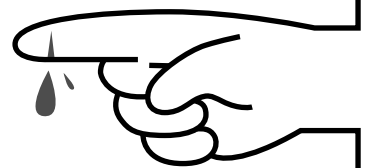

Manual is not a answer

Does not necessarily mean that it is the easiest recipe is to make in the order it is written in the manual

In your own instructions to reference
Also make while thinking the order to assemble

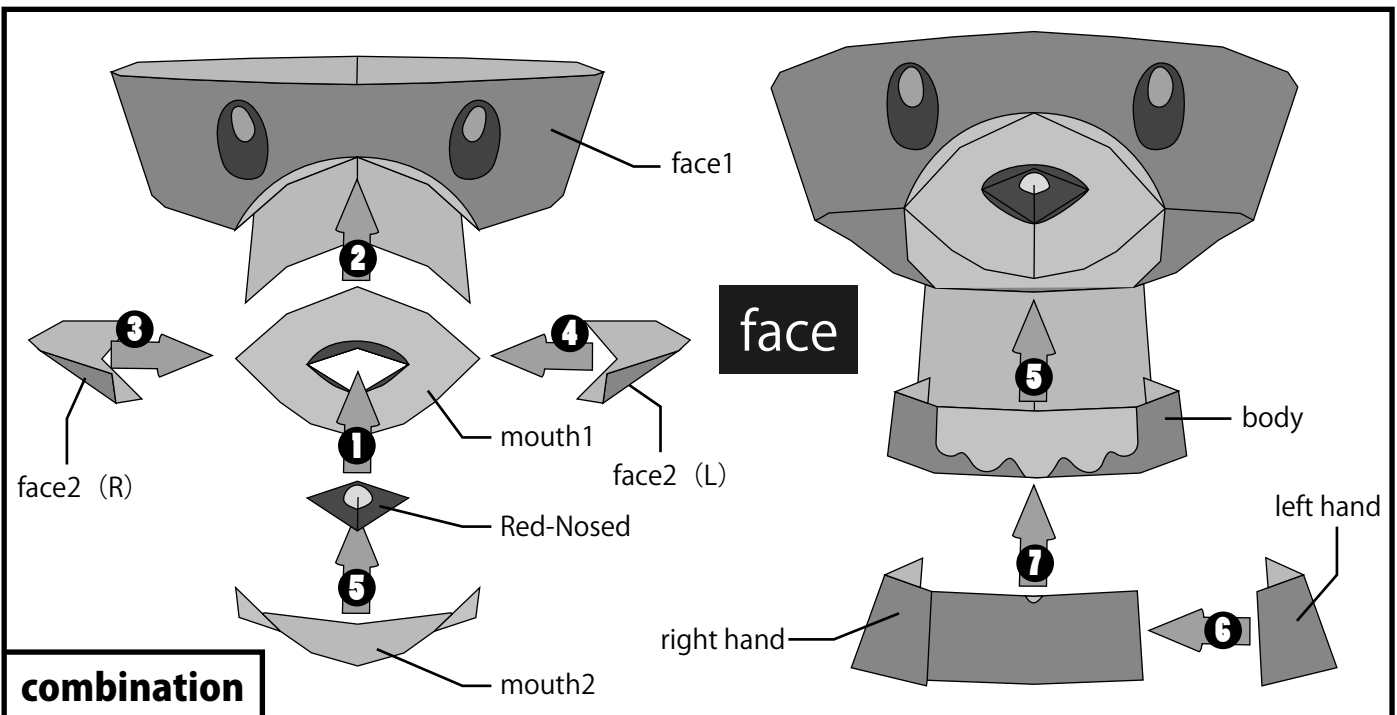

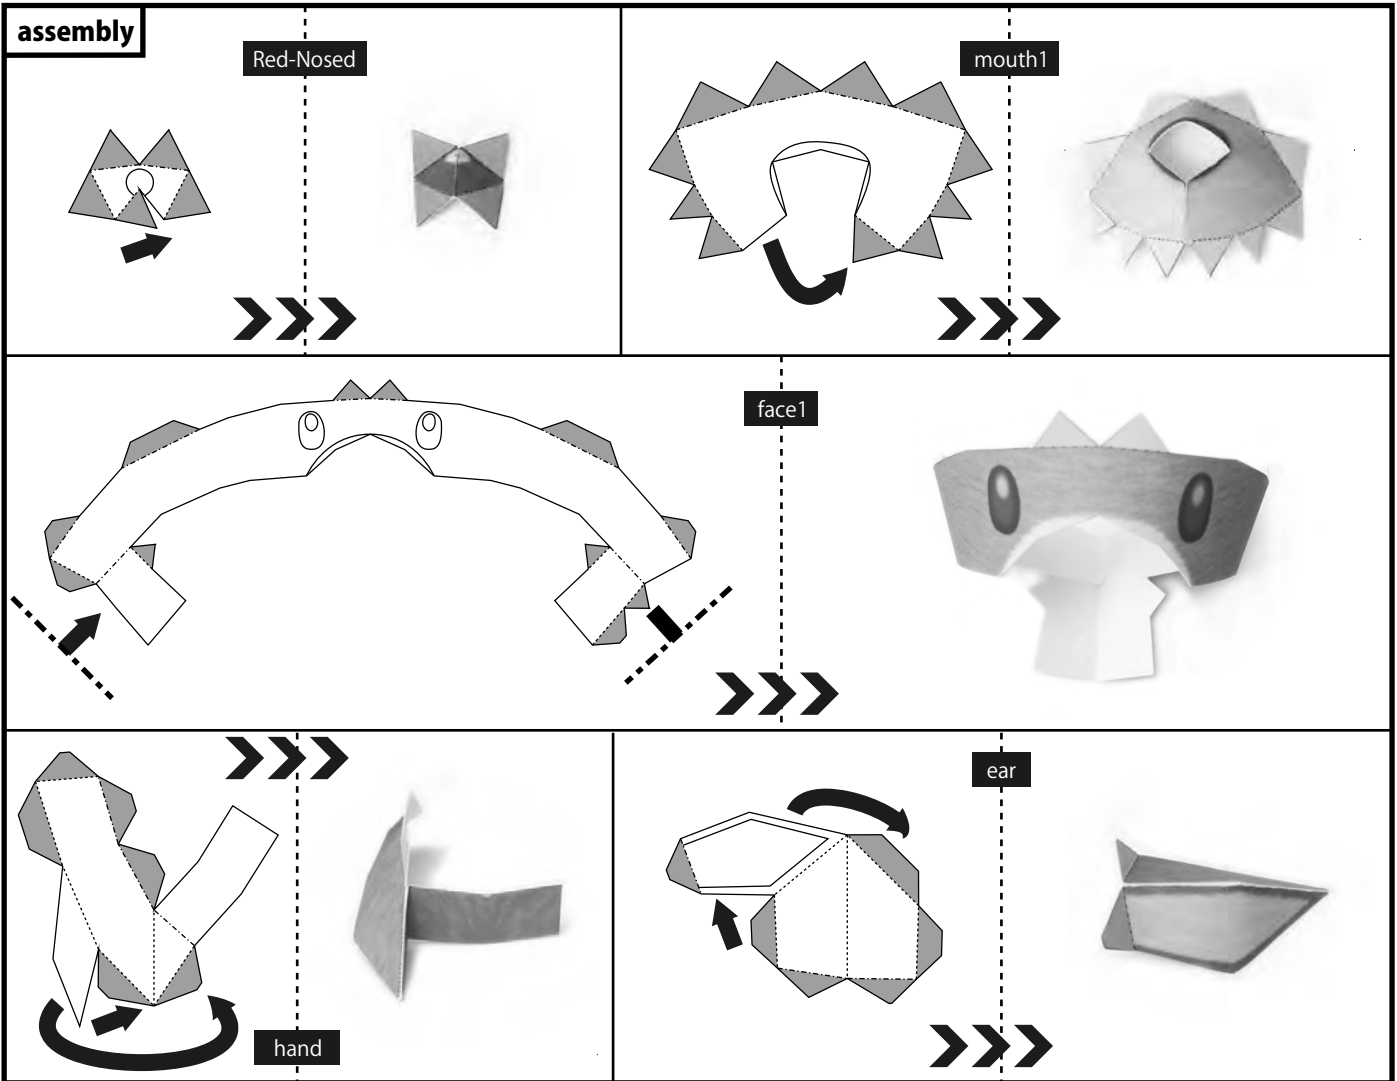

Would surely interesting .

Beware injury

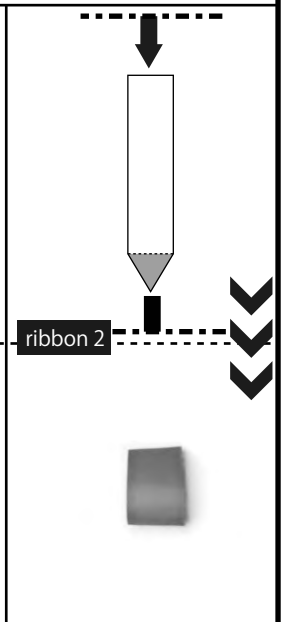

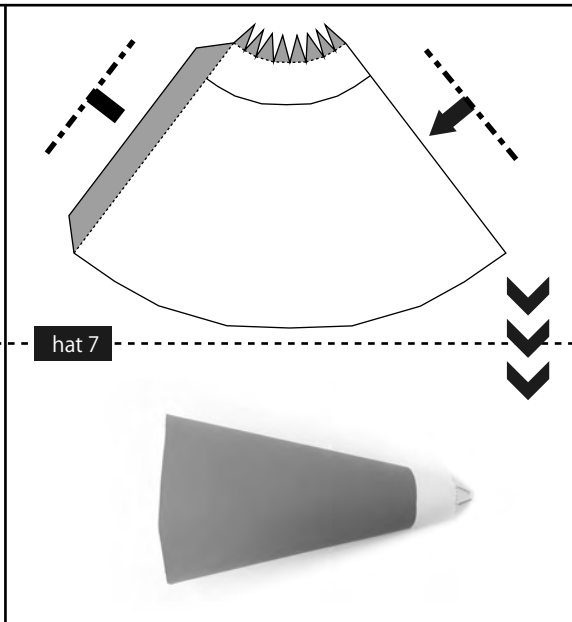

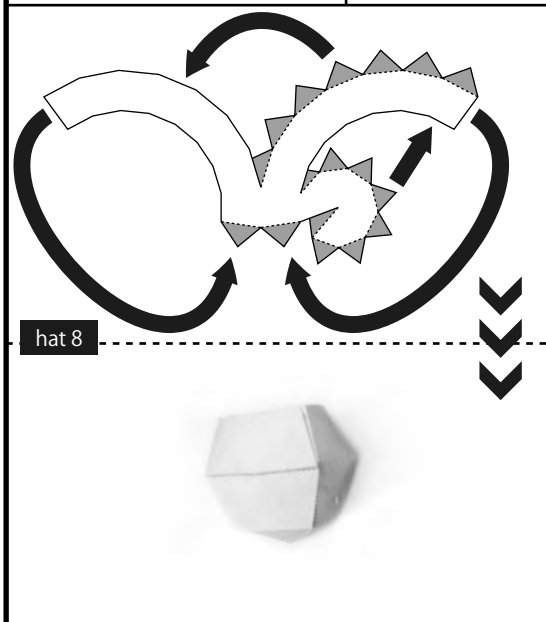

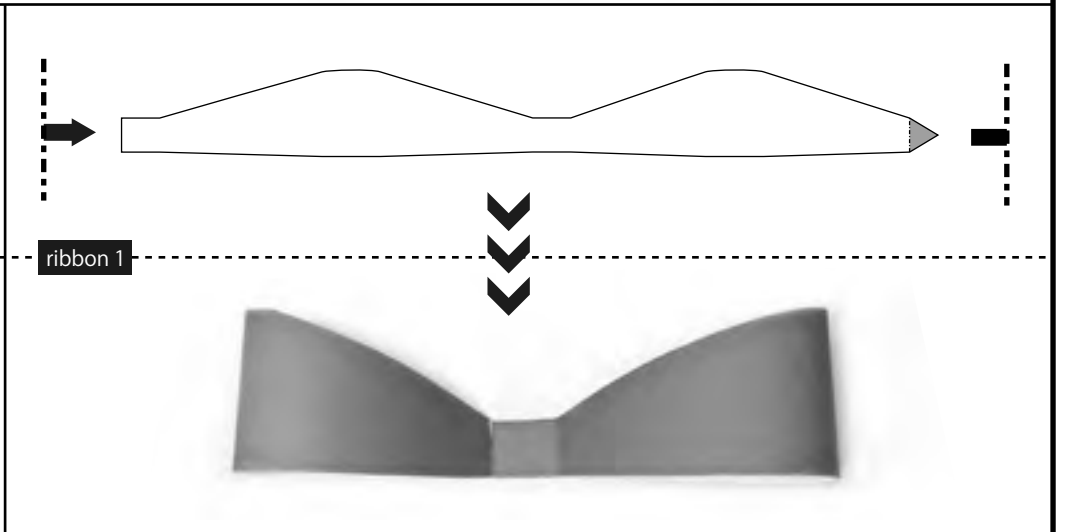

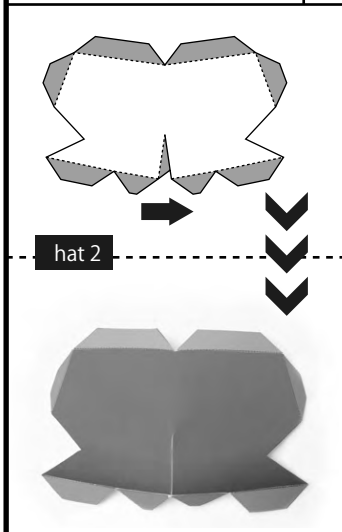

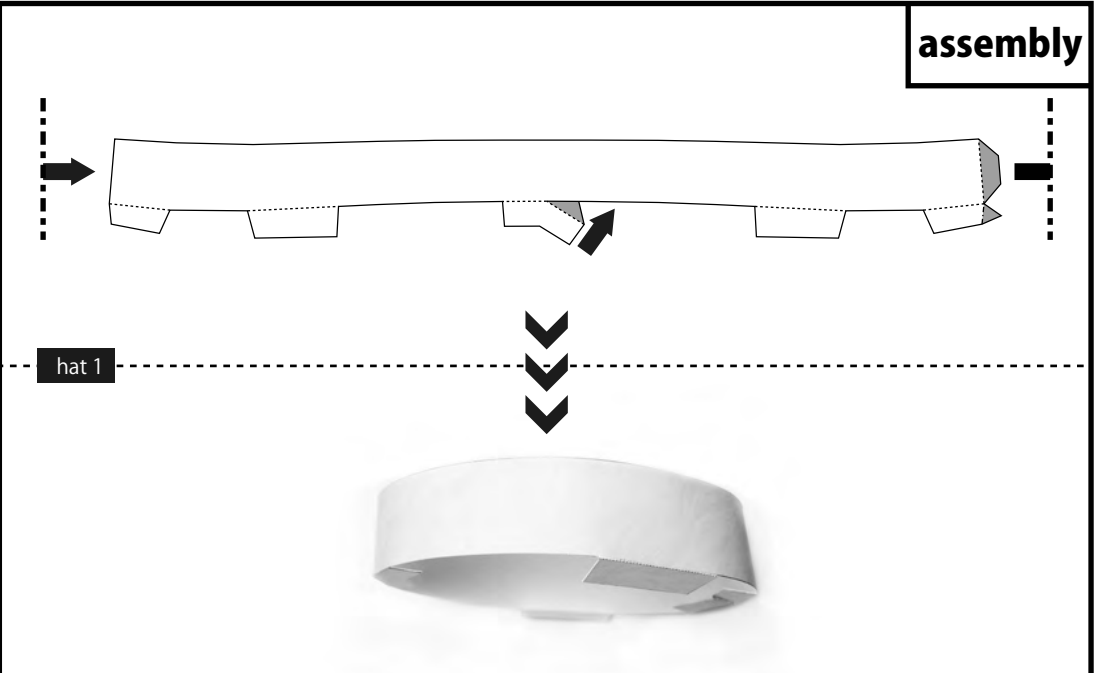

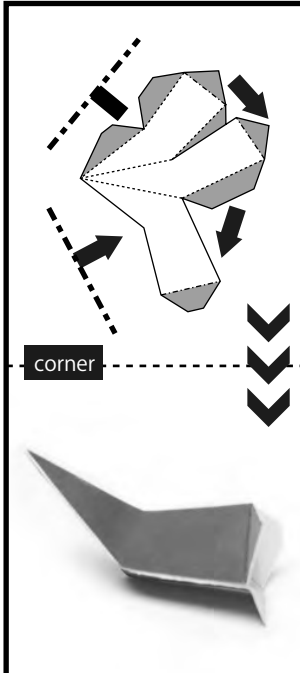

In a paper craft
Is the handling of cutlery to put the best care

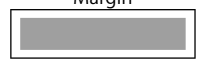

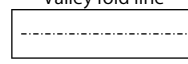

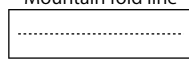

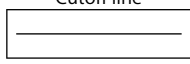

When you hurt your hand can not paper craft
So , let's break before tiring
